

# 2023 CANADA F.O.B. PRICE LIST PREMIUM GAS GRILLS

All F.O.B. prices are subject to change by Weber for any reason with thirty (30) days written notice. Weber reserves the right to refuse to sell any products or extend credit for any reason. Weber requires that Dealers resell Weber® products to consumers at disclosed Dealer's retail location(s) and their DBAs (Doing Business As) within Canada. As a condition of sale, Weber: (i) prohibits any sales by a Dealer of Weber® products on Internet auction sites, such as eBay®, Craigslist, or Kijiji; (ii) prohibits trans-shipping of products between Dealers (or unauthorized retailers) or to locations outside of Canada; and (iii) prohibits Dealer gas conversion of stock, floor or inventory units. Any breach of these conditions of sale, as well as the Weber Terms & Conditions will result in the termination of buying privileges and other remedies, for which Weber reserves all rights. See Weber's other published policies relating to the sale of Weber products.

Although Weber may suggest retail prices, Dealers are free to determine the prices at which they will sell Weber products.

*Note: Weber® gas grills offered by Weber have been tested and certified for use within Canada only. They do not meet the safety standards of other countries. Weber® gas grills may not be exported to individuals living outside Canada. Gas mixtures, gas pressures, regulators, fittings, and gas cylinders are different from country to country. Gas grills certified to Canadian standards may not be legal or safe to operate outside of Canada. Use or shipment outside of Canada will void the limited-warranty covering this grill. If you become aware that a consumer is buying a Weber® gas grill at your retail location with the intention of shipping it out of Canada, you should refuse the sale. Please direct any inquiries from consumers intending to use or ship a Weber® gas grill outside of Canada, to Weber Customer Service 1-800-446-1071.*
